1. INTRODUCTION TO OUR CLUB

The PKC Arrive and Drive Series is comprised of interested amateurs ranging in age from 8 to 70. The Arrive and Drive Series welcomes new members year round, promoting its introductory Arrive and Drive Series Classes where everything is provided from the helmet to the high performance racing kart.

Participants compete with a “spec” high performance racing chassis and 4-cycle engines. The Arrive and Drive Series is a great way for racing enthusiasts to get involved in a racing series with little to no experience and where everything is provided in a safe and organized environment.

Peterborough Karting will make every effort to provide a friendly professional atmosphere and is dedicated to keeping the cost at an affordable level by enforcing the rules and regulations as written.

2. “ARRIVE & DRIVE” KART RACING PROGRAM

THIS IS NOT A FAMILY ENTERTAINMENT PROGRAM

KARTS ARE NOT AVAILABLE FOR CASUAL RENTAL

IT IS A COMPETITIVE KART RACING PROGRAM

Participants are required to:

- Become a member of our Arrive & Drive club
- Pay a membership fee and track use fee
- Receive classroom training
- Receive on-track training
- Acquire and wear special personal safety equipment
- Learn and follow all rules and regulations
- Obey program officials at all times

Kart Racing is Dangerous – Personal Injury Can Result

3. SPIRIT AND INTENT

No pretense is made of having designed a foolproof set of rules and regulations. There have been attempts to test the rules by deviating from this purpose, for which the basic sport is intended. The spirit and intent of the rules is going to be the standard by which karting will be guided.

4. DISCLAIMER

The rules and regulations set forth herein are designed to provide for the orderly conduct of racing events and to establish minimum acceptable requirements for all racing and practice events. By participating in these events all members are deemed to have complied with these rules. No expressed or implied warranty of safety shall result from the publication or compliance with these rules and/or regulations. These rules which may be varied from time to time are intended as a guide for the conduct of the sport and are in no way a guarantee against any injury, serious injury, death or otherwise to participants, spectators or others.

Arrive and Drive Series -Kart Provided

PKC Lite – 8yrs & up, 320 lbs. minimum (kart and driver combined).

PKC Heavy – 14yrs & up, 350 lbs. minimum (kart and driver combined).

21. SPORTING RULES

GENERAL STARTING LINE UP, QUALIFYING HEATS AND RACING RULES (the terms "feature race" and "final" are interchangeable)

22. REGISTRATION

Drivers must register and sign the insurance waiver in person before they will be allowed into the grid area for practice or racing. Minors must sign the waiver with a parent or guardian. Failure to register before entering the track or restricted areas may result in a penalty of last place starting position for all races that day.

Qualifying starts 2 hours before the scheduled racing time for the day.

23. RAIN OR SHINE

Racing will be scheduled rain or shine.

24. STARTING GRID

Qualifying heats will determine the starting position in the race.

Lowest point totals from qualifying heats will start on the pole.

25. DRIVER APPAREL

ALL APPAREL MUST CONFORM TO ASN ARRIVE & DRIVE REGULATIONS. Please see the Appendix that is part of this document.

26. DRIVERS MEETING

A driver's meeting will be held on race day. The Race Director may establish special conditions and/or regulations at that time. All drivers must attend or they may be penalized.

27. PIT AREA

The pit area is a restricted area of the track and is under complete control of assigned officials. Only drivers being called onto the grid by officials may enter that area.

28. ACCESS TO RESTRICTED AREAS

Persons entering the grid and/or restricted areas must comply with all insurance regulations and registration procedures. Failure to do so or entrance by fraud, deceit, or passage into the area except by designated gates will subject the individual to immediate removal from the restricted area and possible suspension of membership privileges.

29. GRID

When you are called to the grid you are under the Grid Marshall's control. It is your responsibility to check the board for your starting position and line up accordingly. Each class will enter the track upon being instructed to do so by the grid marshal. Drivers will exit the grid and enter the track in their starting position order. If a driver breaks down on the grid, a new kart will be supplied and the driver must join and start at the back of the field. Drivers must be on the racing circuit prior to the green flag being displayed or they will not be allowed to participate in that heat.

30. HOT LAPS

All classes will complete one of warm up lap, in single file and per grid order –NO PASSING. The warm up lap will be run under full track yellow. Drivers breaking down, spinning out, involved in an incident or passing during the warm up lap may be placed at the back for that race if they are able to continue.

Towards the end of the warm up lap, karts will slow down and be directed by corner marshals to accelerate and get ready to take the green flag which signifies the start of the race.

31. PACE LAP & OFFICIAL START

Once your class has started the warm up lap you are under control of the Start/Finish marshal. The Start/Finish marshal is responsible for ensuring safe and fair starts and relaying information to the racers through the use of the various flags. No one is to approach this marshal during racing unless summoned for a consultation.

It is the responsibility of the front kart to follow the marshals' instruction during the warm up lap. No one may pass on the warm up lap. No tire scrubbing, any kart

found weaving or scrubbing tires during the pace lap may be put to the back of the field or disqualified from the race.

After the green flag has been waved, participants may not pull out of line, change lanes or pass until the designated first passing zone is reached. Typically this first passing zone will be in or before corner 1 and will be indicated by the position of a pylon. The race director will provide this information during the driver's meeting.

32. RESTARTS

If a kart spins or an incident occurs, the race director may call for full course yellow flags. At the discretion of the Race Director anyone causing and/or involved in an accident may be placed at the back for the restart or disqualified from the race. If a race is restarted because of an accident or blocked track, drivers involved may be directed to the pit area or to rejoin at the last position. Racing will begin again when drivers are instructed to accelerate and the Start/Finish marshal displays green flag. The same rule applies in regard to passing; no passing before the designated passing cone on the track.

33. PASSING

Karts may pass on the inside during qualifying and on the right or left during racing. Caution must be exercised when overtaking another kart. It is the responsibility of the overtaking kart to pass in a safe fashion. There must be no contact made on a passing maneuver in the corners or on the straightaway.

Contact may result in a penalty. All karts must be alert to overtaking traffic and maintain a constant path on the track. Karts entering a corner together have equal rights to the corner. Anytime your rear wheels are broken (passed) by another karts front wheels, you must give the other driver room to race. If contact is made, you may be penalized or disqualified from the session or race. Should contact be made when overtaking, it could be judged by race officials that both drivers were not being good sportsmen and both could be disqualified from the session or race and penalized. The Race Director may designate certain portions of the track as NO PASSING zones.

34. RED FLAG ACCIDENTS

A race will be red flagged if a kart goes upside down (flips) or at the discretion of the Race Director. If a red flag situation occurs, drivers must stop racing immediately, slow down and proceed in single file and at very slow speed to the start/finish line. Drivers may be instructed to stop on the track at any time and must obey instructions from race officials and marshals at all time.

35. LAPPED KARTS

Participants about to be lapped by faster competitors are responsible for being aware of the approaching faster karts and must yield the racing line until the faster karts have passed. Lapped karts will observe the blue flag and yield to leaders or subject themselves to a disqualification.

36. RACE COMPLETE

A race will be considered complete when all laps have been completed or at the discretion of the Race Director. Once the pole position member has taken the green flag for the first time all full yellow laps will count as one completed lap.

37. EXITING TRACK

Once the checkered flag has ended your race, you must continue around the entire track in the proper finishing order. The winning kart will not be allowed to complete one additional victory lap with the checkered flag.

38. COURSE MARKINGS

Pylons or other markings designed and placed by race officials must be observed. If in the opinion of the Race Director, a participant is intentionally ignoring course markings, the participant may be subject to disqualification from that race.

39. SPORTSMAN-LIKE DRIVING

The spirit and intent of sportsman like racing competition is to proceed on the track without touching or endangering the karts of fellow participants. Also give racing room. Inadvertent contact is a reality of racing; however, if in the judgment of the race officials, a participant is bumping, crowding, chopping, blocking, or pushing other participants, that participant may be penalized.

40. DIRECTION OF TRAVEL

It is mandatory that all competitors strictly observe the direction of travel around a track. Failure to do so, by driving or pushing a kart opposite to normal direction of track, unless specifically directed by a race official, may subject the participant to disqualification and/or suspension.

41. STOPPING ON COURSE

If for any reason a competitor is forced to stop on or near the course during practice, qualifying or racing, it is the responsibility of the competitor to assist in removal of the kart to a safety zone as quickly as possible. If a competitor is forced to stop on the racing surface during practice, qualifying or racing, the competitor must raise one hand as they slow down and raise both hands when stationary, to signal approaching competitors that they are stopped.

42. RE-ENTRY TO COURSE

When a competitor leaves the course other than to a designated pit lane during the practice, qualifying or racing, they will re-enter the racing surface at a point as far from the racing "line" as possible. They may not enter at another point on the course that will provide them any time or distance advantage. . Any kart that has entered the pit after the green flag has been displayed will be DQ and will not be allowed back into the race. Drivers must abide by the directions of the officials in charge.

43. SLOWING ON COURSE

When a kart slows from racing speed on course, the driver must signal such to approaching competitors by raising a hand high enough to be clearly visible from

behind. This requirement includes raising a hand when slowing to enter at the pit entrance during an event or a full course yellow.

44. DRIVER OF RECORD

To be considered the driver of record for an event, a competitor must qualify their kart (if applicable) and/or complete at least 1 lap of an event. There are no driver substitutions or relief drivers allowed.

45. DISCUSSION WITH THE RACE DIRECTOR

Discussion with the Race Director - means the verbal exchange of ideas. Race directors are more than willing to listen to anyone's point of view when it is discussed in a mature civilized manner. This means no cursing, screaming, threatening, or physical actions. Any of these actions will be subject to loss of points and/or suspension.

46. NOT COMPLYING

Any member not complying with the above guidelines may be disqualified and subject to further disciplinary action.

47. QUALIFYING HEATS, SEASONAL CHAMPIONSHIP POINTS AND AWARDS

Only members are entitled to accumulate seasonal championship points and monthly awards.

48. 43. RACE DAY EVENT

All events will consist of random draw to determine heat starting grid for Heat One. Heat Two will be in the reverse order of Heat One. The lowest accumulated point from both heats will determine the pole position for the Final Race.

Heat points 1st= 0, 2nd= 2, 3rd= 3, 4th=5, 5th=6, 6th=7, 7th=8, 8th=9, 9th=10, 10th=11, 12th=12, etc.

49. DNS AND/OR DNF DISQUALIFICATION (DQ) BLACK FLAG

Any driver receiving a black flag during practice, qualifying or racing may be penalized. Arrive and Drive Series Seasonal Championship Points – Race day seasonal championship

50. FINAL FINISH

Finish Points – TO BE ASSESSED

51. DISQUALIFICATION (DQ) BLACK FLAG

Any driver receiving a black flag during the feature race will automatically finish last.

52. DAILY AWARDS

The top 3 finishers in each division will receive medals to recognize their accomplishments at the completion or every race date. CHAMPIONSHIP TIES

In the event of a tie in yearend Seasonal Championship Points, the driver with the greatest number of feature wins will be the Points Champion. If there is still a tie, 2nd place finishes will be count, etc.

53. YEAR END AWARDS

The Year End Awards Banquet will be held on Saturday November 12th. At the Awards Banquet trophies and awards are handed out to all participants in attendance at the Banquet.

To receive your award(s) you must be present at the Awards Banquet and have participated in more than 75% of scheduled events. Members not purchasing a Banquet Ticket will not be eligible for any Awards (No Exceptions). If you are not able to attend the Banquet and you purchase a Banquet ticket your Award may be picked at the track following the Banquet.

54. OFFICIAL FLAGS

GREEN

(Start Race or Track Clear for qualifying) Used to start the race, or qualifying sessions.

YELLOW

(Slow Pace and Hold Position, Full Course Yellow) Slow down, use caution, and hold your position, no passing. The moment you see a yellow, stop racing. Do not slam on the brakes, but continue around the course at medium speed and stay in your position (no passing) until the start/finish marshal indicates otherwise. Yellow laps count as completed laps. Any driver scrubbing tires while under full yellow will be placed at the back.

RED

Drivers must stop racing immediately, slow down and proceed in single file and at very slow speed to the start/finish line. Drivers may be instructed to stop on the track at anytime and must obey instructions from race officials and marshals at all time.

BLACK

(Driver Disqualification)

The Black Flag means that you have been disqualified for a driving problem and must exit the track. Do not question this flag. Usually there has been several radio conversations, between club officials, regarding you're driving. After the race is over an official will explain why you received the black flag. Club rules will apply for any penalties to be assessed for the offense.

BLACK-ROLLED

(Driver Warning)

If you see a rolled black flag pointing at you; this is a warning that your driving technique is bordering on disqualification and that you're driving is being questioned by officials. If you continue to drive wildly/erratically, it will likely escalate to a full black.

MEATBALL

(Driver Disqualification)

The Meatball Flag means that you have been disqualified for a mechanical reason. Usually there have been several radio conversations between officials regarding the mechanical condition of your kart. After the race is over an official will explain why you received the meatball flag.

BLUE

(Being lapped)

This is a signal that you are about to be lapped or passed by a faster kart, or karts. It is your responsibility to make room for the karts that are passing or lapping you. Clear a lane and signal/point to which side the lapping karts must pass.

WHITE

(Last Lap) means you are on the last lap. One lap to go until end of race.

CHECKERED

(Race Over) this means that the race or qualifying session is over. Slow down and continue to the track exit.

55. RACE OFFICIALS

RACE DIRECTOR

The race official that is in charge of all activities while karts are on the track. In the event that a Race Director is not present at the track, the Start/Finish marshal will assume the duties of the Race Director.

GRID MARSHAL

The race official that is in charge of the pit and grid areas, including all competitors and other officials in these areas.

START/FINISH MARSHALS

The official in charge of making flag signals to drivers via contact with the Race Director.

CHIEF SCORER

The race official that is in charge of scoring.

CORNER MARSHALS

The officials posted around the course to assist the Race Director in safe and orderly conduct of the event.

56. APPENDIX – REQUIRED PERSONAL SAFETY EQUIPMENT
